- 1. Be specific! If you don't know what you want to achieve [as a student], you won't know how to get there or if you've accomplished things.
- 2. . . If you keep all your appointments, due dates, test dates in your head, you won't have any room left for the new information you are learning about in classes. Use a planner, your email calendar, or your phone to keep thene 1 95.92
