I Faculty Associates

- Intended to create a closer tie between faculty, teams, and student-athletes.
- Student-athlete representatives found the idea intriguing as another outlet for student-faculty involvement.
- There is already some interaction, such as "invited/guest coach" or some connection with a faculty member or student-athlete.
- An issue was raised about increasing the number of representatives on that specific committee. There is a high demand for representation. [redacted] [redacted] [redacted] [redacted] [redacted] [redacted]
