3. The committee briefly discussed the IPPC report.
4. The committee discussed Michael West's visit to FEC on October 12th, 2007 and decided to focus on the following governance related issues:

— How and when does the Administration plan to roll out information about these changes?

Will there be open fora? Another presentation at a Faculty Meeting?

Should FEC call a Faculty Caucus (faculty-only meeting)?

Will alternative models be provided so that Faculty can see the pros and cons of these
