1. 9/4/20 faculty meeting debrief

Ran too long

Voting on a motion put on the floor during the meeting – tricky for faculty unable to attend the meaning

How does meeting information (Zoom recording) become available?

How to respond to concerns about the implementation of Conner's DEI initiative – perhaps COW, but not til November (COW in October on faculty email list).

2. CS and JO 9/9/20 meeting with SGA reps

Productive

FEC needs to keep reminding committees to consult student reps before scheduling meeting time

Remind committee chairs to norm behavior for all meeting members in committees

Student evals/bias issues – we welcome them to reach out to FEC with any questions/concerns
