

*Enhancing Skidmore Excellence:*  
**Strategic Action Agenda 2024-2025**

**2023-2024 Strategic Action Agenda (SAA).** This past year saw us move further from the pandemic and its impact, welcome to the Skidmore leadership five new Vice Presidents, take the next steps in institution-wide planning, and respond to the global conflicts that impacted college campuses across the country. The College should be proud of how well

leaned into this complex conflict through a wide range of programs, discussions, forums, vigils, speakers, and events. Our ongoing, multi-year focus on **5) Speech and Expression**
